

# See the World Through L'ArcheEyes

Your support to L'Arche is very important; it helps us continue changing views on people with learning disabilities. Please join us this Christmas. Have fun making your own L'Arche glasses, share your pictures in social networks using our hashtags and remember to donate.

Thank you.

Together we can change the way people with intellectual disabilities are seen

To **wear**, we suggest to print the glasses in Card 160g or over.

Please donate to L'Arche this Christmas:
